

Quick, Fun Activities for the 100th Day of School

Get Moving with 100-Themed Activities

Count the Days: Use straws, coins, or counters to count up to 100 during calendar time.

100 Exercises Challenge: Spread out physical education throughout the day by completing 100 exercises like jumping jacks, toe touches, or stretches.

Reading and Writing Fun

100 Books Read-Aloud: Read a total of 100 picture books as a class or in small groups.

100 Sight Words: Challenge students to practice or write 100 sight words daily.

100 Questions Jar: Throughout the day, encourage students to ask or answer up to 100 questions related to classroom learning.

Hands-On Math Activities

Hundreds Chart Fun: Create math activities. Students fill in or decorate hundreds charts.

Counting Out 100 Blocks: Provide pattern blocks or cubes for students to count out and build structures with 100 pieces.

Groups of 10: Divide students into small groups to work on counting 10 sets of 10 objects.

Creative Art and Craft Ideas

Decorate a T-Shirt: Have students design a shirt with 100 different stickers, cutouts, or dots.

Creative Art Projects: Use 100 dots, stamps, or stickers to create fun art pieces.

Make 100th Day Crowns: Let younger students create and decorate crowns that say "Happy 100th Day!"

Celebrate with Fun and Food

100th Day Snack: Make a snack using fruit loops, pretzels, and other goodies to count out 100 pieces of food.

Dress Like 100-Year-Olds: Encourage students to dress up as if they were 100 years old for a fun celebration.

Explore and Build Together

Build with 100 Cups: Have groups of students work together to build the tallest structure using 100 cups.

Social Studies Mapping: Use maps to explore places 100 miles away, tying geography into your celebration.

Encourage Reflection and Creativity

100th Day Worries: Read the book 100th Day Worries and discuss what makes the 100th day special.

Write 100 Goals: Have students write down their personal or academic goals to achieve by the end of the year.
